

PRIVATE VOICE LESSON INFORMATION

Following you will find a copy of the standardized contract for all voice teachers at John Hersey High School. Please be sure to read over the criteria regarding payments, etc.

Also included are biographies of each of the voice teachers which will give you their educational and vocal experience.

Lessons are given during either the choir period, during lunch or after school.

All students are encouraged to take private lessons. **Chamber Singers are required to take private voice lessons.**

The cost of lessons is \$25 per lesson which is \$1 per minute. Students may pay for lessons from their Student Account (proceeds from fund raising), in cash or check payable to their individual teacher.

We are very proud of the staff we have assembled here at Hersey. You should note, we have the most private teachers available to students of any school in the district.

Private lessons offer an outstanding opportunity for students to get individualized attention that is difficult to achieve in a classroom setting.

Teachers will introduce themselves to the students during their choir period within the first week of school. Lessons begin the following week.
