CAP+S understands that time is a premium for all families. The success and quality of our program is reliant on volunteers to sustain itself. Our goal is to increase the NUMBER of parents participating while DECREASING the amount of time they need to volunteer for. There are some jobs that do take more time, and some less. We even have jobs that don't require coming to school AT ALL! For a description of the jobs available, see the CAP+S section of the Hersey Choir website <http://www.herseychoir.com/caps.html>

**There is something to fit everyone's time & talents! Come join the fun!**
