

Mattress Sale Fundraiser Covid-19 Safety Protocols

Here is what you can expect when you attend your local Mattress Sale Fundraiser:

- Mattresses and all products are sanitized after and during each event.
- We will have to limit the amount of people in the showroom at one time. We will be waiting on guidance on this, so we are following the most recent protocol from IL health department and CDC.
- We will have individual protective gear for customers to use to try out the beds. This includes masks, disposable pillow slips and disposable mattress slips.
- Small children must be handheld or in a stroller at all times.
- Our staff will be required to wear a mask.
- We will not be shaking anyone's hands and will be maintaining the suggested 6ft of social distancing at all times.
- Hand sanitizer will be available for everyone.
- Hourly sanitizing of product will be completed per manufacture specifications.
- Our check-out area will be outfitted with Plexiglass, and we will be sanitizing between each customer. We also ask that customers practice social distancing while waiting in this area.
