MOMMA'S CORNER

STUDENT CONCERT ATTIRE for HOLIDAY CONCERT

Ladies 🎄

All girls should have been fitted and all dresses have been put on a rack in the front of the room to take home (with the exception of one or two that are being altered).

If your daughter says she doesn't have a dress or has not been fitted, please let me know.

Also, please make sure dresses are tried on (particularly returning girls) so that if there are any major issues we can handle prior to next week. Lengthening or shortening is up to family.

Shoes for new girls have arrived and will be available for pick up in choir room on Monday, November 28. They will also receive their earrings at that time.

Returning girls should double check that they have their black character shoes. If any issue, tell Momma NOW.

OnStage girls will wear their black character shoes the entire show including when OS performs (we will not wear tan character shoes).

Returning girls who can't find earrings, please let me know immediately.

Guys 🎄

Returning guys tuxes are available for pick up on the rack in front of the choir room. When they bring the tux home, please have them try on. Waist can be adjusted by waistband clips and length, if necessary to be altered, is up to parent. Any major issues with fit, please have your student return and we will refit.

New guys will be fitted this week.

You are receiving two vests (one silver and one red). You will wear the red vest and tie for the holiday concert.

All boys must wear black dress shoes and socks for the concert.

HOLIDAY CONCERT TICKETS 🎫🎟

If you haven't already ordered your concert tickets, please do so as soon as possible. See ticket order form attached.

If you have ordered you tickets, they will be sent home with your student this week.

HELD IN CONJUNCTION WITH THE ANNUAL
CHOIR HOLIDAY SHOW

Proceeds benefiting JHHS Choirs

Hello Parents,

We are happy to announce that this year's Holiday Concert may possibly, be recorded, and then streamed directly to you, via digital download link. **“Streaming It” Productions**, (formerly Masterview) has taped many of our performances over the years and has once again offered their services to John Hersey High School. In order for us to Contract with “Streaming It” Productions, Hersey High School will need to collect \$20 from all (60) participants. If we can achieve this by **December 5, 2022**, we can then secure the date with “Streaming it” Production. If we fall short of this number (60) then the streams would go back to the regular pricing of \$35/stream.

So in closing, once again, we have a great opportunity to capture this special moment, with HD 1080p quality for a really good price, so that these memories won't be lost forever.

See for yourself, just click on the “Streaming It” Productions website link below and check out the quality of their work.. We guarantee you won't be disappointed.
