

OnStage

2023-2024 Schedule

Rehearsal /Performance Conflict Sheet

Dates indicated as “choreography” means the choreography will be here teaching new choreography/cleaning. Attendance is mandatory.

Dates indicated as “rehearsal” is your evening class time given that your time for zero hour is limited to 4 days @ 50 minutes per day. On the week of a Monday night rehearsal, students will NOT have class on Monday and Tuesday morning.

*Attendance at all rehearsals (and performances) is of the utmost importance to the development and success of this ensemble. It is my hope that these dates will be given “**top priority**” as you plan your family schedule for the upcoming competition season. **Keep in mind that OnStage is a class and the rehearsals are our class time.***

*Please indicate any potential conflicts by marking the box on the left hand side of this sheet. Details can be explained on the back of the sheet. **Please include a list of all activities in which you are currently or plan to be involved.***

Return the form (both front and back) to Joann Langley.
