

HERSEY CHOIRS

“it all happens here”

August, 2023

Welcome Choir Students & Parents!

I hope that you're all enjoying your summer and this letter finds you doing well. I'm beyond excited for this next school year to begin! I can't wait to see everyone and start to make beautiful music and incredible memories together!!! This year, we will be traveling to Nashville!!! Freshmen can join us! It's not too late for any choir member to sign up! If you haven't already done so, we've included all the info in this packet.

My goal is to help your student develop their choral singing as well as a lifelong appreciation for all types of music, a focused work ethic and a sense of pride in performing and in all they do while in choir. I hope that Hersey Choir provides every student a space where they feel safe and valued.

Once again, I'll be communicating through Remind 101. **BOTH students and parents are REQUIRED** to sign-up for **all the choirs in which they sing (ex. Concert Choir and OnStage)**. **RETURNING MEMBERS** – You must **RE-SIGN** up using the new codes to receive information this year.

All the information included in this packet is on our website: www.herseychoir.com. Please make it a practice to check it frequently for the most updated information.

I encourage all parents to become members of cap+s, our booster organization. This group of parents do so much to enhance the program we offer your sons and daughters! You'll want to be part of making it all happen. We meet the first Tuesday of each month. Everyone is welcome and are encouraged to be at the cap+s meetings!

We are hosting a Family Choir Picnic at Hersey from 6-8pm on Thursday, August 24 to kick off our year in choir!! This event is open to all choir students and families and will give you an opportunity meet everyone in an informal atmosphere.

Please feel free to contact me if you have any questions. I'm confident it's going to be another great year!!

Can't wait to get started!!
