

Spring Flower Sale!

This is the last fundraising opportunity for your student to earn money towards their student accounts for this school year. Money earned can be used towards fees, trips, voice lessons, etc. and will carry over into next year. Ask the gardeners in your life if they are interested in any of the plants or vegetables we are offering. See attached order form for details.

Return completed forms and payment (cash or checks made out to CAP+S) by Tuesday, April 16th to Joann Langley in the Choir Office. Plants will be available to pickup on Tuesday, May 9th from 4-6 pm at the dock near Door 32.

Feel free to contact Denise Gordon at gordo5500@yahoo.com with questions.
